

**INDIA'S STRONGEST CERAMIC TILE**

— DURABILITY WOVEN INTO DESIGN —

# STRENGTHENING YOUR SPACES FOR 68 YEARS

For over six decades, H & R Johnson (India) has been at the forefront of reimagining how India builds and lives. Trusted by architects, designers and homeowners alike, we bring together the heritage of craftsmanship and the innovation of technology to create surfaces that last.

From homes to high-rises and industries, our solutions are designed to endure not just in strength but in timeless style. With every collection, we continue our commitment to quality, design and the belief that true strength lies in creating surfaces that stand the test of time.

# MGT

MODERN GLAZED TERRACOTTA COLLECTION

## THE EVOLUTION OF TERRACOTTA

Presenting MGT, the Modern Glazed Terracotta Collection, a reinvention of one of the oldest building materials in the world. Designed for architects, designers and global trendsetters, MGT marries the warmth of terracotta with the brilliance of modern glazing technology.

Engineered with double-fire technology, delivering unmatched breaking strength, versatile applications across floors and walls, curated palette of finishes and themes, MGT transforms everyday spaces into lasting statements of style. It is more than a tile, it is terracotta elevated for the modern world.

TATVA & LINEA RED

# TERRACOTTA, REINFORCED WITH STRENGTH

TATVA

“Terracotta is fragile” is what the belief is. The MGT Collection is engineered to be **India’s strongest ceramic tile**. The 60X60 cm tiles with a robust 9 mm thickness and an advanced double-fire process deliver unmatched durability and a richer finish, far superior to ordinary single-fire ceramics.

# TERRACOTTA, REINFORCED WITH STRENGTH

# SUSTAINABLE CRAFTSMANSHIP

Crafted through Johnson's eco-conscious processes, MGT blends luxury with a commitment to sustainability.

## MODERN GLAZED TERRACOTTA

LIGNA TAUPE

### Carrying tradition forward with strength and style.

For generations, terracotta has been at the heart of our traditions. The MGT Collection carries this legacy into the present. By fusing timeless beauty with strength and innovation, it creates surfaces designed to endure for years to come. A blend of heritage and modernity, crafted for every space.

## ALSO PART OF THE JOHNSON RANGE, JOHNSON SOLAR REFLECT TILES

Available in 60x60 cm, use an advanced glaze technology that reflects sunlight and releases absorbed heat, helping surfaces stay cooler. With SRI value >80 in white, they can reduce surface temperatures by up to 15°C.

### Benefits of Johnson Solar Reflect Tiles

-  SRI Value >80.
-  Lowers surface temperatures by up to 15°C.
-  Improves indoor comfort.
-  Helps reduce energy use.
-  Durable ceramic body.
-  Matt, anti-skid finish.
-  Green-building friendly.

Available in **60x60 cm** size,  
in **white** and other select shades.

Colors shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserves the right to change the specifications without prior notice. Sometimes, variations in shade or size may occur which is inherent to the ceramic industry. Before fixing the tiles, we urge you to read and follow the fixing instructions given on the carton box of the tiles. The company will not take any responsibility and will not accept any complaints of shade, size or planarity once the tiles have been fixed. Although every effort is made to ascertain that all the information provided in this brochure is accurate before printing, errors may still happen. Please contact the local branch office for updated information before placing orders. The information contained in this catalog is given in good faith. The Company takes no liability on account of any loss or damage either consequential or otherwise as a result of the information provided therein.
